

Uplift Counseling Services

Your Client Has Arrived

Child Name: Craig Williams

Parent Name: Johnny Rocket

Appointment Time: 1:45 PM

Stress Rating: 1

Medications: Lots of Uppers and Downers

Medication Change: changed

School Changes: They all hurt me at school

Home Changes: Sometimes I feel

completely alone at home

Environmental Changes: It's getting hotter everywhere in the world but I can't stop feeling so cold inside

Physical Changes: It hurts me everywhere when I breathe or move around in the universe because I can feel the dark matter seeping through my pores. It's like there's no difference between me and everything around me, sometimes I wonder, what's the point of it all anyways?

Positive Notes: It hurts me everywhere when I breathe or move around in the universe because I

can feel the dark
matter seeping
through my pores. It's
like there's no
difference between
me and everything
around me,
sometimes I wonder,
what's the point of it
all anyways? But it's
all good.

**Questions and
Concerns:** Why doesn't anyone
love me like they
used to?
